Some things to think about

As a parent or godparent, you need to ask yourself:

Are you prepared to the best of your ability to give the child a Christian upbringing and to be a regular part of the life of St John's church?

Will you help the child attend church services and to pray? Will you teach them the Christian faith, and help them by your own Christian example and your own prayers?

Will you encourage the child when s/he is old enough to come to be confirmed?

People whom you are considering as godparents must have been baptised.

Parents may be godparents to their own children, provided that the child has at least one other godparent.

It is usual to have three or four godparents, and they must be a mix of men and women.
